主席的話

陳燕

病人自助組織的工作，就是為病患者爭取合適的康復運動和應有的權益。過去這年雖然遇到社會運動，柏會需要取消部分大型活動，但我們一直都在把握每個機會，例如接受「恒生乒乓球學院」的邀請，在九龍木球會為柏友與香港乒乓球隊代表，及香港少青精英隊隊員會面和切磋球技。柏之韻口琴隊再次代表香港，去臺灣與當地兩個帕金森病人組織互相交流。富德拳館為柏友設計防跌泰拳，開班教柏友學習泰拳做好防跌預備。最難忘的是4位香港柏友能夠入圍杭州螺山醫院舉辦的全國第一屆柏友卡拉OK大賽的最後20強。

帕金森症是一種非常複雜的病，每位患者病症不同，需要的治療方法、服用的藥物都不同。很多柏友都不知道，為什麼自己的狀態日日都這麼差？既已遵照著醫生的指示空肚食藥，避開高蛋白質食物，小食多餐，樣樣做足，但還是經常不開藥或者藥效時間突然縮短？令他們不知所措，該如何是好？

其實食帕金森症藥除了要注意醫生所講的，更要注意在日常生活中的每個小節，留意藥物出現問題時的情況和原因。不開藥時還要反思之前吃了什麼？因大家都忽略了很多食物都會影響帕金森症藥，令到柏友狀態突然變差的原因，很可能是食物在作怪。大家知不知道「味精」對帕金森藥有多大的影響？一杯紅豆冰、一枝粟米又會怎樣影響柏友的藥效呢？

執委會正計劃為柏友開一個WhatsApp群組，每日有不同的主題與大家一起分享交流。看來是微不足道的小事，但對柏友的疑團卻有很大影響！

病症簡介

帕金森症

帕金森症是一種慢性腦部衰退疾病，是由於腦部內稱作「黑質」的部位出現急劇退化，未能產生足夠「多巴胺」而引起的。「多巴胺」是一種化學物質，負責神經訊息傳遞。「多巴胺」數目下降，能直接影響肌肉活動，從而大大阻礙了患者的活動能力。此病多發生於六十歲或以上的老人身上，惟部分患者亦會早於四十歲左右發病。

成因

大多數帕金森症是原發性的（即成因不明），但亦可能與下列情況有關：腦炎、顱腦損傷、腫瘤、腦部鈣化、一氧化碳/其他金屬物品中毒。

主要徵狀

震顫：患者手腳持續地出現不受控制的震顫，尤以在停止活動時最為明顯。

僵硬：手腳肌肉變得僵硬，在伸直或屈曲患者手腳時，動作有如轉動齒輪般困難。

動作遲緩：此徵狀包括一系列現象，如書寫困難，患者所寫字體彎彎曲曲，愈寫愈細；長時間呆坐而不變動坐姿；起步及停步方面均有困難；以及臉部缺乏表情等。

平衡困難：由於平衡出現問題，患者慣於在起步後即以急碎細步向前衝去，以保持重心。

治療

- 藥物治療
- 物理治療
- 職業治療
- 言語治療
- 手術治療 - 深腦刺激法

香港帕金森症會

介紹

背景

香港帕金森症會是由一群帕金森症的患者、家屬、照顧者及社區人士所組成的病人自助組織，並於一九九八年正式註冊成為獨立社團及病人自助互助組織，二零一零年註冊成為有限公司。

目的

為帕金森症患者提供一個自助互助平台，建立積極態度面對病情發展及復康治療。

宗旨

- 發揮帕金森症患者及家屬的互助精神
- 推廣社會大眾對帕金森症的正確認識及關懷
- 關注帕金森症患者的福利及合理權益

組織架構

香港柏金遜症會組織架構圖

本會共有六個分區：香港島、九龍東、九龍西、新界東、新界西及將軍澳。本會的最高行政決策單位是執行委員會（簡稱「執委會」），經會員大會選出來的執行委員組成。本會的事務經執委會開會商議討論通過後，便交相關人員落實推行。

會員統計

會員人數

截至2020年3月31日，本會會員總人數為1559人，當中帕金森症患者佔1017人(65%)，照顧者、前照顧者、社區人士佔542人(35%)。男性患者有529人，佔總患者人數52%。女性患者有488人，佔總患者人數48%。

全會患者平均年齡是69.89歲，男的為69歲，女的為70歲。患者人數最多的年齡組別是61-70歲，有404人，佔總患者人數的40%。在50歲或以下的患者也有26人，佔總患者人數3%。

遜有良朋・將愛廣傳

關顧計劃

『遜有良朋・將愛廣傳』是本會承蒙香港柏金遜症基金資助的一個關顧計劃。關顧服務是泛指任何本會會員，志願貢獻個人的時間及精神，在不為任何物質或金錢報酬的情況下，透過不同的關顧方式，在精神上支持鼓勵一些有需要被關懷的患者會員，積極面對疾病，這個計劃全建基於會員與會員之間的互助精神之上。

計劃的服務範疇

- 電話關顧 - 致電慰問隱蔽或非活躍患者會員及跟進其需要。
- 探訪關顧 - 對願意受訪患者會員進行探訪活動，包括家訪及院舍探望。
- 術友支援 - 定期舉辦聚會讓接受深腦刺激手術(DBS)的患者互相交流。
- 病人支援站 - 在五間醫院設立支援站為柏友提供有關本會的服務及病科資訊。

此計劃由2019年1月1日至2019年12月31日，共有76名關顧義工參加計劃，總支出大約為\$ 10,308.90。

活動及參與 2019-2020

中央活動

會員活動安排分成兩個層面進行：互助功能性的「分區小組活動」和大型的「全區活動」。分區活動是以月會、復康運動組和興趣班為主。各區因應該區會友的喜好和才華，開辦的興趣活動亦會稍有不同，而大型活動則是由中央籌辦。在過去一年，本會為會友舉辦了多項常規和與帕金森症或患者有關的專項活動，帶給會友新資訊、新技巧和交流溝通的機會。

**INDEPENDENT AUDITORS' REPORT
TO THE COUNCIL MEMBERS OF
HONG KONG PARKINSON'S DISEASE ASSOCIATION**
(Incorporated in Hong Kong as a Company limited by guarantee and not having a share capital)

Opinion

We have audited the financial statements of Hong Kong Parkinson's Disease Association ("the Association") set out on pages 5 to 14, which comprise the statement of financial position as at 31 March 2020, and the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements of the Association are prepared, in all material respects, in accordance with the Hong Kong Small and Medium-sized Entity Financial Reporting Standard ("SMEFRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis of opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") and with reference to Practice Note 900 (Revised), Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The council members are responsible for the other information. The other information comprises all information included in the annual report other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of council members and those charged with governance for the financial statements

The council members are responsible for the preparation of the financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the council members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the council members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the council members either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

**INDEPENDENT AUDITORS' REPORT
TO THE COUNCIL MEMBERS OF
HONG KONG PARKINSON'S DISEASE ASSOCIATION**
(Incorporated in Hong Kong as a Company limited by guarantee and not having a share capital)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other persons for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the council members.
- Conclude on the appropriateness of the council members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

HONG KONG PARKINSON'S DISEASE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

1. General information

Hong Kong Parkinson's Disease Association is a Company incorporated in Hong Kong limited by guarantee and not having a share capital. The registered office of the Association is located at G/F., Wang Lai House, Wang Tau Hom Estate, Kowloon, Hong Kong.

The principal activity of the Association is to support or assist activities or programs for the benefit of Parkinson's disease patients.

The financial statements are presented in Hong Kong dollars, which is the same as the functional currency of the Association.

2. Statement of compliance with Hong Kong Financial Reporting Standards

The Association qualifies for the reporting exemption as a small guarantee Company under Section 159(1)(a) for the Hong Kong Companies Ordinance (Cap. 622). The Association therefore entitled to prepare and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (the 'SME-FRS') issued by the Hong Kong Institute of Certified Public Accountants.

These financial statements comply with the SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the company is a going concern. The measurement base adopted is the historical cost convention.

3. Summary of Accounting Policies

(a) Basis preparation of financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis.

(b) Income and Expenditure Recognition

Income and expenditure is accounted for on an accrual basis, except for donations & sponsorship, Rehabus income and funding from Social Welfare Department and Hong Kong Parkinson's Disease Foundation which are accounted for on a cash basis.

Income is recognized when it is probable that the economic benefits will flow to the Association and when the revenue and costs, if applicable, can be measured reliably and on the following bases.

- Donations & Sponsorship and Funding received from Social Welfare Department and Rehabus income are accounted for on a cash basis.
- Income and Expenditure from Activities is recognized in the year in which the activities are held.
- Interest Income is accrued in a time proportion basis.
- Membership Fee is recognized on a basis that reflects the timing, nature and value of the benefits provided.
- Sale of goods is recognised on transfer of risks and rewards of ownership, which generally coincides with the time when goods are delivered to customers and title has passed.

All expenditure is accounted for on an accrual basis.

HONG KONG PARKINSON'S DISEASE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

3. Summary of Accounting Policies (continued)

(c) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses.

The depreciable amount of an item of property, plant and equipment is allocated on a systematic basis over its estimated useful life using the straight-line method at the following annual rates:

Office Equipments	20% p.a.
-------------------	----------

The useful lives and residual values of the assets are reviewed and adjusted, if necessary, at each end of reporting period.

(d) Inventories

Inventories are finished goods.

Inventories are measured at the lower of cost and net realisable value.

Cost is calculated using the first-in-first-out basis and comprises direct material cost and relevant sub contracting charges.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories are recognised as an expense in the year the write-down or loss occurs. The amount of any reversal of any write-down of inventories, arising from an increase in net realisable value, is recognised as a reduction in the amount of inventories recognised as an expense in the year in which the reversal occurs.

(e) Cash and cash equivalents

Cash comprises cash on hand and at bank and demand deposits with bank. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(f) Financial Instruments

Financial assets and financial liabilities are recognized on the statement of financial position when the Association becomes a party to the contractual provisions of the instrument. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

Financial Assets

The Association's financial assets are classified into one of the four categories, including financial assets at fair value through profit or loss (FVTPL), held-to-maturity investments, available-for-sale (AFS) financial assets and loans and receivables. All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

HONG KONG PARKINSON'S DISEASE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

3. Summary of Accounting Policies (continued)

(f) Financial Instruments (continued)

Loans and Receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. At the end of each reporting period to initial recognition, loans and receivables (including trade and other receivables, cash and bank balances) are carried at amortized cost using the effective interest method, less any identified impairment losses (see accounting policy in respect of impairment loss on financial assets below).

Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than financial assets classified as at FVTPL, of which interest income is included in net gains and losses.

Impairment of Financial Assets

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of the reporting period. Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the Association's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, an impairment loss is recognized in the profit or loss when there is objective evidence that the asset is impaired, and is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the original effective interest rates.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

Financial Liabilities

Financial liabilities are classified according to the substance of the contractual arrangement entered into and the definitions of financial liability.

- 11 -

HONG KONG PARKINSON'S DISEASE ASSOCIATION
NOTES TO THE FINANCIAL STATEMENTS

3. Summary of Accounting Policies (continued)

(f) Financial Instruments (continued)

Effective Interest Method

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expenses over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a short period.

Interest expenses is recognized in an effective interest basis.

Derecognition of Financial Assets and Financial Liabilities

The Association derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when a financial asset is transferred, the Association has transferred substantially all the risks and rewards of ownership of the asset to another entity. If the Association neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Association recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Association retains substantially all the risks and rewards of ownership of a transferred financial asset, the Association continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised directly in reserve is recognized in the statement of profit or loss and other comprehensive income.

The Association derecognises financial liabilities when, and only when, the Association's obligations specified in the relevant contract is discharged, cancelled or they expires. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of profit or loss and other comprehensive income.

(g) Related Parties

(a) A person or a close member of that person's family is related to the Association if that person:

- (i) has control or joint control over the Association;
- (ii) has significant influence over the Association; or
- (iii) is a member of the key management personnel of the Association or of a parent of the Association.

(b) An entity is related to the Association if any of the following conditions applies:

- (i) The entity and the Association are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
- (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
- (iii) Both entities are joint ventures of the same third party.
- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the Association or an entity related to the Association.
- (vi) The entity is controlled or jointly controlled by a person identified in (a).
- (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

3. Summary of Accounting Policies (continued)

(h) Retained Surplus

The purpose of the Retained Surplus is to finance Association's organized activities and to support and finance the administrative expenditure of the Association.

4. Critical Accounting Estimates and Judgments

The preparation of financial statements in conformity with HKFRSs requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

13. Events after Reporting Period

On 11 March 2020, the World Health Organisation announced that the spread of COVID-19 is officially considered a pandemic. Although the full impact of the COVID-19 crisis is currently unprecedented and the ongoing measures cannot be reasonably estimated, the Executive Council is of the opinion that sufficient measures have been taken to mitigate the negative impact as much as possible.

捐款呼籲

本會於1998年正式註冊成為獨立社團及病人互助組織，並於2010年正式成立為**香港柏金遜症會有限公司**。經費完全依賴會員會費及外界捐助。

為了令一些行動有困難的會員可出席每月的聚會及參與活動，需要安排復康巴士接載，這些支出對本會的財政構成負擔。

現呼籲各位會員及善長仁翁捐助本會經費，讓本會能發展更廣泛的工作。

捐款方法

- (1) 劃線支票：請將捐款回條聯同支票寄交本會，支票抬頭請寫「香港柏金遜症會」。
- (2) 銀行入數：請直接將捐款存入本會恒生銀行戶口(戶口號碼357-544402-883)，並將入數紙聯同捐款回條寄回本會。

本會地址：九龍橫頭磡村宏禮樓地下。

本會會發出捐款收據（凡捐款100元或以上，可向稅務局申請扣減稅款。）
